- owners, senior executives, employees, agents and their close relatives of other companies directly involved in the implementation (eg the offeror of the prize, etc.),
- Minors under the age of 14.

Until the prizes are handed over, the Organizer may exclude from the Game a Player who does not meet the conditions set out in the Game Rules. The Organizers reserve the right to exclude from any present and future Game any Player who has been shown to benefit from the Game in a manner that allows for fraudulent use of the Game. It will also exclude anyone who in any other way jeopardizes the fair conduct of the Game, withdraws the data management consents detailed in these Rules during the duration of the Game or prior to the draw. The Organizer shall notify the Player of the fact of the exclusion as necessary.

The Player declares that the information provided during the application for the Game is true.

2. Description of the Game

The course of the Game, the specific manner, name and time of its performance are contained in the Game Description, which also includes the unique conditions and rules published on any platform during the announcement of the given Game.

For Games, the Organizer typically creates a Giveaways menu item on the website, or a separate landing page on which to organize the game. Alternatively, Organizer can organize a game on Facebook or any other online or offline platform. The descriptions of the specific Game ("Game Description") can be viewed on these pages, and the general Giveaways Rules can be viewed under the "Giveaway Rules" menu.

If the Game requires registration, application, subscription, the link or subscription form on the given page will navigate the Player to where they can be done.

3. Applying to the Game

Among the Players, only those who jointly and fully fulfill the conditions for participation specified in these Rules and the Game Description may participate in the Game.

Conditions for participating in the Game:

- providing the requested data in full and in accordance with reality
- granting consent to the processing of the Player's personal data as specified herein, and the continued existence of this data processing consent in accordance with the provisions of these Rules and until the date
- a Player with an email address may participate in that Game up to once. If someone still participates in the Game using more than one email address, the Organizer will exclude it from all applications

Registration for the Game is not valid if the conditions of participation are not met, it cannot be accepted by the Organizer and the Player cannot participate in the draw.

Joining the Game is possible for the entire duration of the Game, and the date of application does not affect the Player's chances of winning.

4. Prize

The prizes to be drawn among the participants in the Game are included in the respective Game Description.

Prizes are non-transferable, non-exchangeable for cash or other discounts, may not be traded or resold in any way.
